2025 9th International Conference on Machine Vision and Information Technology

www.cmvit.org

CMVIT 2025
Feb. 27-Mar. 2, 2025 | Maldives

Call for Paper

* Machine Vision and Image Processing
  - Active Vision
  - Applications of Machine Vision
  - Artificial Intelligence for Machine Vision
  - Stereo Vision
  - Calibration and Geometry
* Machine Learning and Pattern Recognition
  - Classification
  - Face and Gesture Recognition
  - Manifold Learning
  - Kernel Methods
  - Multiresolution Techniques
* Information Theory and Information Processing
  - Intelligent Information Processing
  - Sensing information extraction and processing
  - The multimedia information processing
  - Computer communication theory and systems
  - Communication Theory and Systems

Publication and Indexing

1) All the registered and presented papers will be included in the volume of CMVIT 2025 conference proceeding. The publisher will submit articles to Engineering Village, Scopus, Web of Science and other databases for review and indexing after publication.

2) Selected papers with great extension will be recommended to publish in international journal.
